

## Pomegranate Oil

Pomegranate Oil (*Punica granatum*) is Expeller Pressed from the whole seeds of the Pomegranate fruit, and sourced for its high levels of Omega 5, Punicic acid.

Pomegranate Oil is primarily used in skincare formulations. Perfect for uses such as moisturiser, soap, shower gel and massage oils. Studies have shown that Pomegranate Oil may support skin health through increasing moisture levels. It may also help stimulate cells in the outer layer of the skin. The activation of these keratinocytes cells, can help reverse skin damage, rejuvenate skin and reveal a more youthful appearance.

This nutrient rich oil, is a indispensable ingredient to any skincare formulation. Containing the unique polyunsaturated fatty acid, Punicic acid, which is responsible for anti inflammatory properties, providing protection from sun damage and fighting free radicals responsible for aging.
