

Lozenges

These lozenges bring together the goodness of New Zealand honey (usually Mānuka) for natural relief and soothing of sore throats.

The soothing taste of New Zealand honey lozenges can't be beaten when you are not feeling your best. Created to improve everyday health and well-being, our lozenges are specifically formulated to deliver targeted wellness and health benefits.

Mixing this natural healer with nature's other helpers, delivers high quality lozenges, perfect for the whole family.

Lozenges are produced as dietary supplements.
