

## Hemp Seed Protein

Hemp Seed Protein Powder is a co-product of THC free Hemp Seed (*Cannabis sativa*) after the oil has been extracted.

Hemp Seed Protein Powder contains high levels of protein and dietary fibre both soluble and insoluble and Essential Amino Acids and naturally contains nutrients such as Iron, Magnesium and Manganese. In addition, the oil component provides a source of the Essential Fatty Acids (EFAs) Linoleic Acid (Omega 6, LA) and Alpha Linolenic Acid (Omega 3, ALA).

Hemp Seed Protein Powder is a non-allergen alternative to other sources of protein such as Soy and Whey, and provides nutrients that will ensure optimum health and well being for the whole family. Taking this powder is the most effective way to boost your protein and fibre intake, making it an ideal health supplement. It can easily be incorporated into your diet by adding it to juice, smoothies and baked goods such as muffins or breads. It offers excellent health benefits including tissue building and repair, growth and maintenance of muscles and bones and normal metabolism. Hemp Seed Protein Powder is gluten free, nut free, no added sugar, and is suitable for vegetarians and vegans.
